ABOUT ME

I am a dedicated student and pursuing my Bachelors of computer degree with a focus on Full-Stack web development. In my second year of studies, I have gained extensive knowledge and experience in various technologies including HTML, CSS, JS, NODE-JS, MongoDB. I am passionate about creating dynamic and user-friendly web applications that meet the needs of clients and users alike. With a strong work ethic and commitment to continuous learning, I am eager to contribute my skills and knowledge to a dynamic team in the field of computers.
